

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a mis-use of MY rights for fair and unbiased commentary on public airwaves. His license to run the station over the air should not be used as a free political ad to sway a vote that is very close.

It's another way the the rich have an unreasonable edge over those of us who don't have equal ability to publicize a cause.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
